

Welcome to the Eagle Farmers' Market! Vendor spots are open to local farmers, gardeners, businesses, and community organizations. The Market will be held in the Eagle Municipal Building parking lot on Mondays (June 15 & 29, July 13 & 27, August 10 & 24, and September 14). Vendor application is for all market dates.

The Farmers' Market is held "Rain or Shine". There is no fee for vendors, but pre-registration is required to hold a booth. Sales will be from 4:00 -6:00 p.m. only. No electricity will be provided. Produce, plants, food and limited artisans/crafters are welcome to attend all season. All vendors are expected to clean up their booth area after each market.

This is a market where vendors can sell only what they create or produce themselves. Resale of items purchased elsewhere is prohibited. To qualify as a producer, you must own or rent land on which your products are grown. You must plant, maintain, harvest, and market the produce you sell at the Eagle Farmers' Market. Vendors that only sell non-taxable items, such as fruits and vegetables for home consumption, do not need a seller's permit from the Wisconsin Department of Revenue. No pre-made food or food services will be allowed without a seller's permit. Baked goods, canned goods, and on-site prepared foods must follow all Health Department rules. All items displayed or literature posted at the market must represent or relate to the vendors' goods for sale.

Persons selling must be family members or paid employees. No brokers, agents or commissioned sellers may sell produce at the Market. Vendors shall make available for inspection those lands or areas on which produce sold at the market is raised or produced. Only Wisconsin grown or produced items that meet all applicable federal, state and local rules and regulations and that are approved by the Market Manager may be offered for sale/display.

It is the Vendors responsibility to have ALL of the necessary paperwork, such as licenses and permits, filed with the County and State prior to selling at the market and MUST comply with their rules and regulations while selling at the market. (The Health Department will conduct random inspections.) Vendors who use a scale must have the scale inspected and licensed and comply with all regulations as determined by the Department of Weights and Measures prior to use. If you are a new food vendor, you must have the necessary permits from the health department. If you have any questions, contact the Waukesha County Division of Environmental Health at (262) 896-8326.

Registration form -2020

Contact _____ Business Name _____
Address _____ City _____ ZIP _____
Phone _____ Mobile Phone _____ E-mail _____

List all items to be sold/displayed. Items must be approved.

(If applies)*Seller Permit Number _____

Are you a WIC/FMNP Vendor? YES NO If you are a WIC participant, please share your permit number

I have read the Eagle Farmers' Market Rules and agree to comply. The vendors, their employees, visitors and family members at the market booth holds harmless the Alice Baker Memorial Library and the Village/Town of Eagle and their staff and volunteers, from and against all causes of action, claims, demands, suits, liability, or expense by reason of loss or damage to any property or bodily injury to any person, including death, as a direct or indirect result of use of any rented or occupied market space or in connection with any action or omission of the renter who shall defend the above in any such cause of action or claim. Vendors should carry their own product or general liability insurance.

Please sign and date.
