Thank you to the Village of Eagle Boards and Town of Eagle Boards for your continued support of the library. Thank you to the offices of the Village of Eagle and the Town of Eagle. Thank you to all who have served on the Library Board. Thank you to the staff of the library and the Friends of Alice Baker Library, Eagle

(F.A.B.L.E.). Thanks to the system directors and system staff over the years. And all of the library customers.

I came to the library on August 1, 2005 and have had a rewarding career with many accomplishments. No two days were the same and for that I am grateful. I came in with a “user first” philosophy and a strong focus on customer service. I leave the same way.
