2026 Library Improvement and Innovation Grant
Alli submitted a grant application for $2500 in the technology category for website accessibility. She compared two different companies recommended by Bridges and went with Greenleaf Media. This project was required by law to be completed by April 2027 but has now been extended to April 2028. Bridges advised Alli to go ahead and have the website made accessible and have staff trained sooner rather than later. Staff will them maintain the website.
